SALES CONDITIONS

1. The customer is responsible for checking the condition of the package upon receipt of the goods, noting any issues on the bill of goods and immediately reporting the problem to the selling company.
2. Orders will only be accepted by e-mail nor by telephone.
3. In no case complaints will be accepted for goods which have already been cut or processed. Complaints are not accepted after 8 days from the date of receipt of the goods. Authorised returns must be accompanied by their bill of goods, indicating the data of the purchase invoice. We will reject any goods that arrive without authorisation or bill of goods back to the sender. The returned goods must be returned carriage paid.
4. The minimum order is one metre. Orders will be accepted only in written form (export@alessandrobini.com, sales@alessandrobini.com). If, for exceptional reasons of urgency, the order is not sent written, please note that no complaints will be accepted.
5. The cancellation and/or modification of an order must be made in writing, by e-mail or fax, directly to the company AB Tessuti dal Mondo s.r.l. no later than four hours after sending the order.
6. In the event of hidden defects, our liability is limited to the value of the fabric that may be recognised as defective, not extending in any case to the processing or transformation of the disputed goods.
7. If a customer requests a shipment to an address other than his own, he is responsible for the relative shipment, therefore he is required to check the reference and the colour of the material sent. Returns will not be accepted if the material is cut and/or processed.
8. Any use for the purpose of advertising communication (press, public and private TV, internet with particular reference to social media, cinema, brochures, yellow pages, letters or archiving, including electronic, etc.) of the company brand must be approved in advance in writing by the company.
9. Deliveries will be made by express courier within 48/72 hours following receipt of the order. If the fabric is not present in our warehouse, it will be our care to communicate the shipment date of the goods. If no written cancellations or written indications contrary to delivery are received, the goods will be tacitly shipped on the date communicated. The delivery date of occasionally missing items is indicative and cannot under any circumstances give rise to requests for payment of any damages. Unless specifically requested, each shipment will be sent carriage paid, charged in the invoice, with a supplement for packages over 3 metres.
10. Failure to pay within the agreed terms may result in an increase in interest on arrears of 5%. In the event of outstanding payments, in addition to the aforementioned interest, variable administrative costs will be charged up to a maximum of € 55. AB Tessuti dal Mondo s.r.l. also reserves the right to interrupt future deliveries or, alternatively, to request advance payment.
11. Purchased samples become the exclusive property of the customer and cannot be transferred to others without the authorisation of the company.
12. The company has the right to eliminate one or more items from its collections at its sole discretion. Any disputes will be settled by the Court of Florence. Privacy Policy in accordance with Italian Legislative Decree no. 196 dated 30 June 2003 regarding the "processing of personal data": the personal data provided by the customer will be processed "in a lawful and correct manner", as established pursuant to art. 11 of Italian Legislative Decree no. 196 dated 30 June 2003.
13. Fabrics can be reserved up to 24 hours. After this period, the goods are automatically released.

IMPORTANT INFORMATION

- 1.** The roll length shown in the technical data sheets may undergo fluctuations.
- 2.** Please examine the delivered goods before starting any processing (item, colour, finishing, length and any flaws). Do not proceed with cutting and processing before having received a written response to the report from our company.
- 3.** Fabrics with printed designs with vertical and horizontal pattern directions may undergo small variations as a result of the various finishing steps.
- 4.** The outlet items not shown on the price list are to be considered as no longer in the collection. We recommend requesting the availability of the goods before proceeding with the order. The goods will be delivered until available.
- 5.** All AB Tessuti dal Mondo products are sold exclusively to customers who have purchased the collection.
